[John Bradbury]: "Should a wage earner have to lose a day's pay to fight

a traffic ticket? Night and Saturday courses would be more affordable. Why are complaints against

judges secret? You have a right to know how a court system works. Did you

know that any party can remove an elected judge from a case for no reason?

Should criminals be able to shop for lighter sentences? I'm John Bradbury and I believe

elections should mean something. I'd appreciate your vote May 27th.

I'm John Bradbury. I paid for and approved this message."
