[Beth Walker]: "What do I believe? I believe in God.

And the right to say that in public. I believe that the Second Amendment

is written in ink, not pencil. And no West Virginia court should dare tread on those rights.

I believe our judges should spend more time protecting our families and our values,

and less time worrying about the comfort of criminals.

And as a proud West Virginian, I believe our Supreme Court has a desperate need

for a good conservative. I'm Beth Walker. If you agree, I need your vote."

[PFB]: BETH WALKER FOR SUPREME COURT COMMITTEE LARRY PACK, TREASUREER.
