[Woman]: "According to a recent study, the Mississippi Supreme Court was rated the second

most efficient court in the United States. Through Chief Justice Jim Smith's

leadership, the court is current and up to date. He's also working with

local communities to relive the backlog of cases in all courts, making

sure criminals stay behind bars. Justice Smith has led the way

for continued improvement in the integrity of the Mississippi courts."

[Announcer]: Re-elect Chief Justice Jim Smith, Mississippi Supreme Court.
