[Announcer]: Just Robin Davis knows West Virginia children deserve to be safe and properly educated.

[Robin Davis]: "Too many children victims of horrible abuse and neglect were slipping through the cracks in our legal system."

I said enough.

[Announcer]: Robin Davis led the court to close the loopholes to build a child abuse and neglect database which tracks every endangered child.

Now she's leading the fight to lower truancy and keep kids from dropping out of school.

Robin Davis for Supreme Court, she's doing everything she can.

[Robin Davis]: Because our children are worth it.
