[Announcer]: If you thought we finally got greedy trial lawyers out of Alabama politics, try again. Alabama trial lawyers are

funneling millions of dollars to Joel Laird, Ralph Cook, John England and Sharon

Yates' campaigns for Supreme Court. And trial lawyers are spending even more to fund

new attack ads. We know why trial lawyers are spending

that kind of money but why are Laird, England, Yates, and Cook taking it?

Tell Democrats Laird, England, Cook, and Yates: Get trial lawyer money out of our

court. [PFB: Citizens for a Sound Economy]
