[Announcer]: Tuesday's election for Supreme Court there's a clear choice. Linda Copple Trout is very liberal. She voted to hand over

Idaho water to federal bureaucrats, supports court imposed tax increases, and Trout is backed by Idaho's

leading trial lawyers. Starr Kelso supports traditional Idaho values.

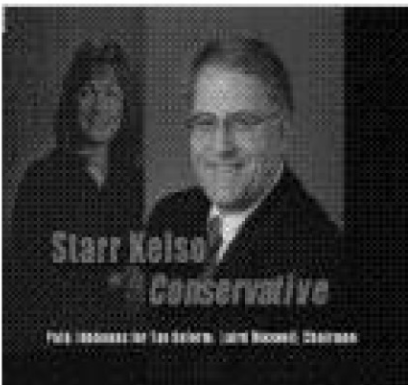

Kelso has fought to bring integrity back into our court system and he

won't cave in to trial lawyers. The choice for Idaho voters: liberal

Linda Copple Trout or conservative Starr Kelso.
