[Myerscough]: "I'm Sue Myerscough, Appellate Court justice. Fifteen years ago,

I swore an oath to enforce the law and protect people. It's an oath I take seriously. Everyday

I've sat on that bench, I've fought to honor that oath,

to protect children from sexual predators, and get violent criminals off of the street,

to keep our families safe. If elected to

the Supreme Court, I'll keep fighting.

I'm Justice Sue Myerscough, and I will be honored to have your vote.
