I'm Justus Loughry.

My dad is Allen Loughry. He wants to be a Justus too

So what if Allen Loughry has four law degrees?

Yeah, he did write this book

And yes, Allen Loughry was Senior Assistant Attorney General. Whatever that is.

But in this family, I'm the Justus

How about we just call him dad?

Hm, I guess that's good with me.

Allen Loughry for supreme court

[PFB] But I'm still the real Justus Loughry
