He was a fearless, no non-sense prosecutor

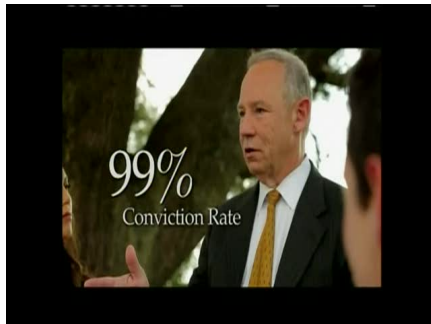

who protected us from violent criminals

and he was good

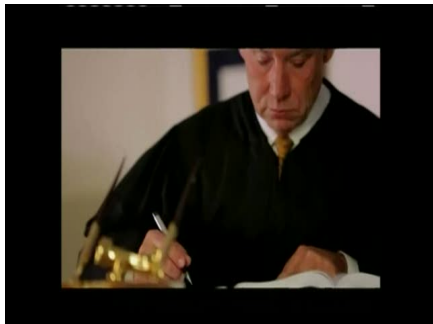

so good in fact Duke Welch achieved a stunning

ninety-nine percent conviction rate

he rose to district court judge

never had one criminal case decision overturned

not one

today Duke Welch is a court of appeals judge

an eighteen year veteran with every credential we could want for our state's highest court

[PFB] Judge Duke Welch for Supreme Court. He's the law and order choice
