[Kelley]: "This is former Attorney General Frank Kelley. I urge you to restore fairness to Michigan's Supreme Court by

electing Tom Fitzgerald, Marietta Robinson and Ed Thomas. Judge

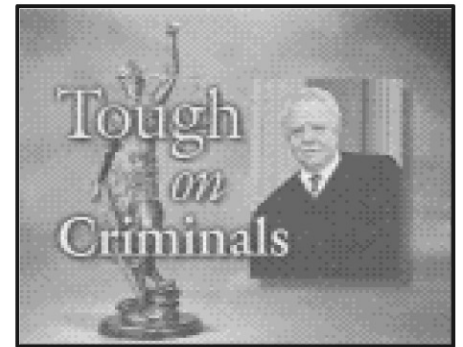

Fitzgerald has served for 10 years and strongly supports working families.

Marietta Robinson, listed in the Best Lawyers of America is committed to the rights

of individuals. Judge Thomas has served for 22 years, where he has been tough on criminals

and supportive of victim's rights. Politics have biased the court.

Your vote can restore the balance."
