[Announcer]: Supreme Court Justices choose a side every day. Whose side are Robinson,

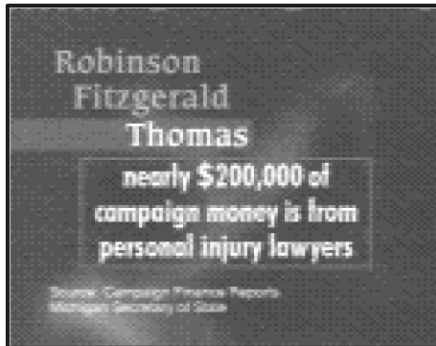

Fitzgerald, and Thomas on? Robinson represented a radical

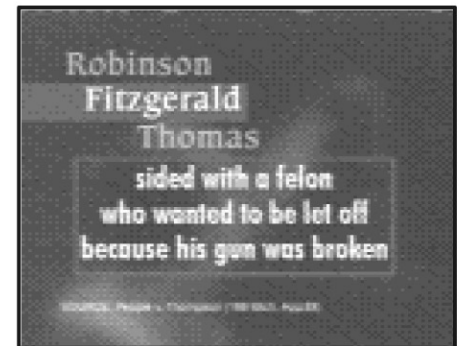

welfare rights group that opposed Michigan's welfare reform.

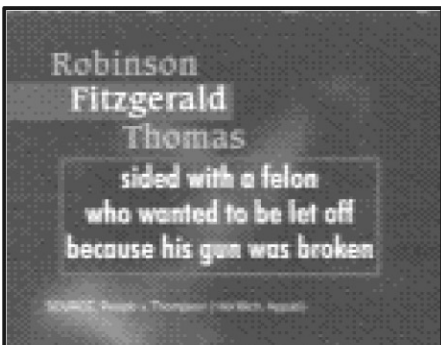

Nearly \$200,000 of Thomas' campaign money is from personal

injury lawyers. And Fitzgerald sided with a convicted felon

who wanted to be let off a gun charge because his gun was broken when he assaulted

his victim. Robinson, Fitzgerald and Thomas, too many wrong decisions."
