[Announcer]: She's taken on the HMOs and insurance companies and beaten them. She's Marietta Robinson. Over 20 years, one of the top

advocates for working families, winning 98% of her cases. A

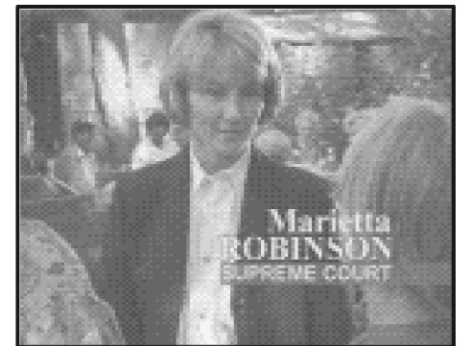

reputation for integrity. The only Michigan woman chosen as one of the

best lawyers in America. [Man]: "She's tough, tough on crime." [Woman]: "She

will be a tremendous Supreme Court Justice." [Granholm]: "No one is more qualified

than Marietta Robinson to return justice and fairness to

families."
