[Young]: " Community involvement has been a part of my life, since I've been an adult. It's important

to me as a Judge to have that continuing involvement

in the community. I grew up in a community that has seen

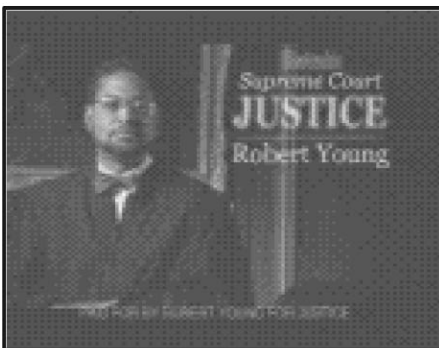

the cold days of crime and I will never forget the tremendous

adverse impact that crime brings to a community."

[Announcer]: Fighting for safer communities. Chosen Jurist of the Year by

Michigan's police officers. Justice, Robert Young. [PFB: Robert Young for Justice]
