[Announcer]: She's Kay Cobb and she stands up for us on Mississippi's Supreme Court. Kay Cobb believes justice could

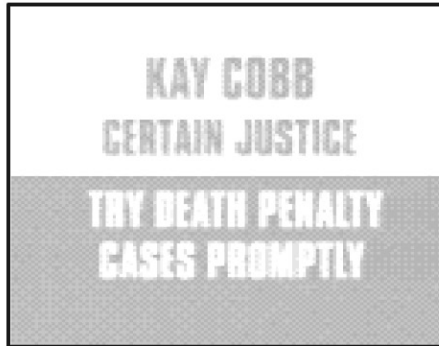

be swift. That's why she's worked to end the Judicial Backlog. And Kay

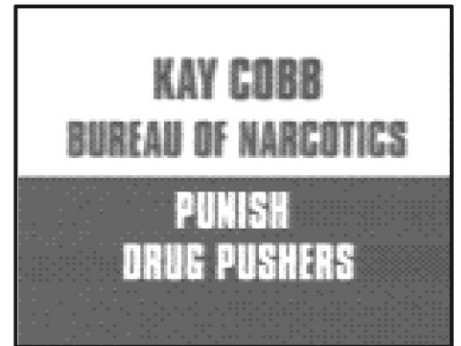

Cobb knows justice must be certain. That's why she's fought to eliminate

endless appeals and ensure death penalty cases are tried promptly.

At the Bureau of Narcotics, she helped punish the drug pushers who victimize our children.

And she brings common sense to the Supreme Court. Justice Kay Cobb.
