[Announcer]: Chuck McRae and his special interest friends are attacking Jess Dickinson. [Dickinson]: "You've all heard the lies

and half-truths being told about me during these last days before the election.

Chuck McRae's supporters call them smart bombs.

The temptation is strong for me to strike back at Chuck McRae, but I

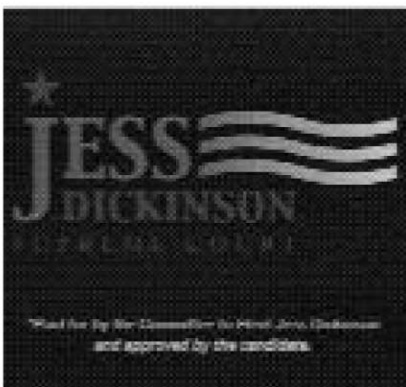

won't do it. That does nothing to restore honor and respect to our

Supreme Court. Folks, I'm asking you to trust me with your vote.

I won't let you down." [Announcer]: We need a judge we can respect, Jess Dickinson.
