[Announcer]: In the race for Mississippi Supreme Court, only one candidate has 18 years of experience. Percy Lynchard. As a city

prosecutor he kept politics out of the courtroom. As a County Prosecuting Attorney,

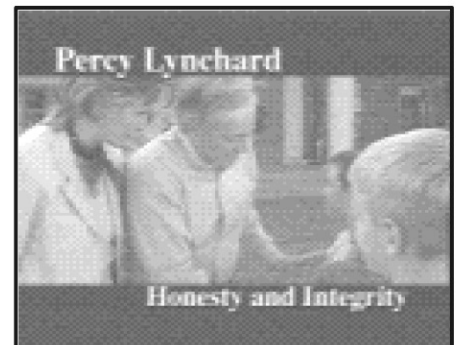

drunk drivers change their ways or else. As a chancery judge,

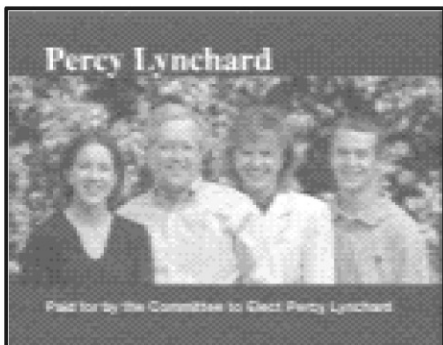

percy protected mothers and children by cracking down on deadbeat dads.

And as our candidate for the Supreme Court, Percy Lynchard is winning respect as a

man of integrity who knows the law. Percy Lynchard. The experience we need.

The values we trust.
