[Reid]: "I'm Senator Harry Reid here to talk to you about one of the finest Supreme Court Justices in our history. Chief Justice Bill Maupin has been a top rated

judge since he first served on the District Court bench. His knowledge and ethics have

consistently earned him the respect of those who appear before him. Bill

Maupin is a hard working judge. He has been instrumental in cutting Nevada's Supreme Court backlog

in half. Justice Maupin is fair, intelligent, hard working, and

absolutely ethical. He's good for Nevada. That's why I urge you to re-elect

Bill Maupin." [PFB: Committee to Elect Bill Maupin]
