[Announcer1]: Their mothers took a drug called DES to prevent miscarriages. [Announcer2]: More than 400,000

women in Ohio. [Announcer1]: And when their daughters developed a form of cancer caused by DES,

they asked Ohio's Supreme Court for justice. [Announcer2]: But

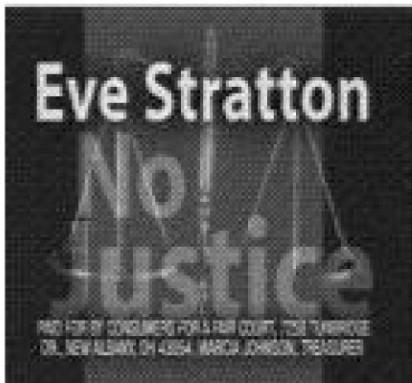

Eve Stratton said no. [Announcer1]: Eve Stratton said she had sympathy for the victims

but she gave sanctuary to the big drug companies. Their mothers took DES

to prevent miscarriages. [Announcer2]: But Eve Stratton's ruling

is a miscarriage of justice. [PFB]: Consumers For A Fair Court
