[Norgard]: "For years, I worked for a large corporation in Ohio. Now I have a fatal disease."

[Announcer]: David Norgard contracted chronic beryllium disease at work.

[Norgard]: "They lied about the risks, then they hid the evidence."

[Announcer]: Eve Stratton sided with the big chemical company.

[Norgard]: "Eve Stratton calls herself the velvet hammer. Yeah, corporations get the velvet."

Ohio families get the hammer!" [Announcer]: We need justices that protect people, not corporations.

[Norgard]: "We need Tim Black and Janet Burnside because they're on our side." [PFB]: Citizens for Independent Court
