[Announcer]: What's being said about Judge Terry O'Donnell? "Highly recommended."

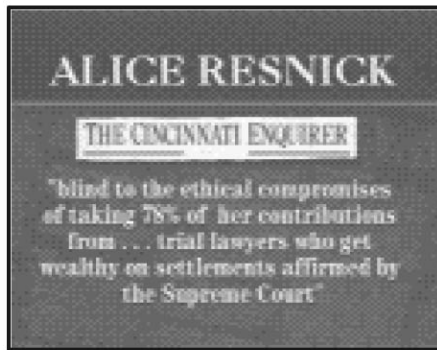

"One of Cleveland's toughest Justice." "Thoughtful and respected." "A reputation

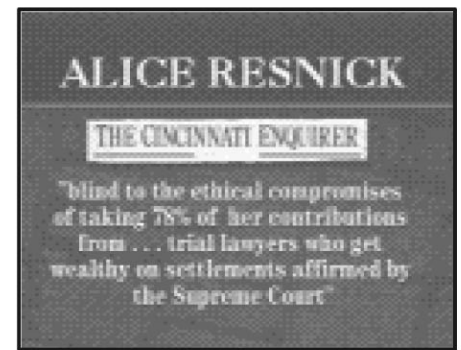

for integrity and intelligence." And Alice Resnick?

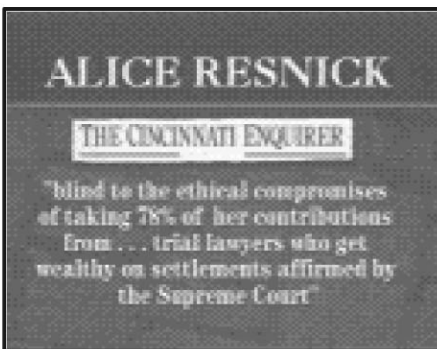

"An unseemly willingness to politicize her office." "Lacks judicial temperament."

"Blind to the ethical compromises of taking 78% of her contributions from trial lawyers

who get wealthy on settlements affirmed by the Supreme Court."

O'Donnell and Resnick. Big differences.
