[Announcer]: Ohio families and small businesses finally have a choice for local phone service. But the giant phone company SBC Ameritech

wants to take your choice away by doubling rates. That'll hurt consumers

and hurt Ohio's economy. It's good to know that Maureen O'Connor and

Ohio Supreme Court Justice Eve Stratton are standing up for Ohio consumers

and small businesses. Choice and competition mean better

service and lower prices and that's something to call home about.
