distorting Justice Alice Robie Resnick's record. [Announcer2]: Maybe because she's

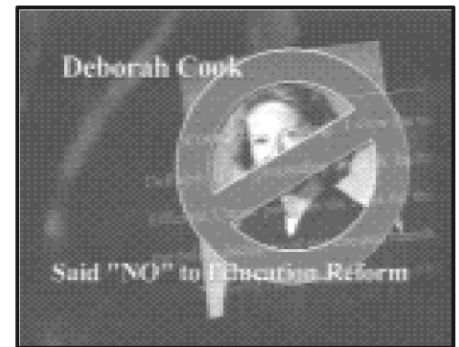

taken on the special interests. [Announcer1]: Stood up for families by exposing Ohio's

delapidated schools. [Announcer2]: Fought for quality education for all Ohio's children.

[Announcer1]: But in the same landmark court decision, Debra Cook said no to education

reform and no to our kids. [Announcer2]: Say no to special interests and no to

Debra Cook. [Announcer1]: Alice Robie Resnick and Tim Black for Ohio Sprme Court.
