[Announcer]: Sleaze mongers, that's what the media is calling the personal injury lawyers who are attacking Justice Evelyn Stratton. One paper

calls their campaign cowardly, deceitful, an insult to the

voters of Ohio. Why are the personal injury lawyers spending

\$1 million to attack Stratton and O'Connor? Maybe

it's because they would rather have judges on their side. Stratton

and O'Connor know that to be impartial judges there are to be no sides.
