[Stratton]: "I'm Justice Evelyn Stratton. One thing I love about being on the Supreme Court is that it opens doors when I work on mental health and adoption reform.

That's why I'm so offended by the attack ads saying that I'm against families. Ads

condemned by newspapers. As the daughter of American Missionaries, I believe

in what's right. My opponent wants a justice to pick sides,

that's not right. My impartial approach has earned me the

endorsements of the top newspapers in Ohio. I'm Evelyn Stratton and I would appreciate your vote."
