[Announcer]: Just two weeks ago a liberal judge threw out Georgia's same sex marriage ban. Is

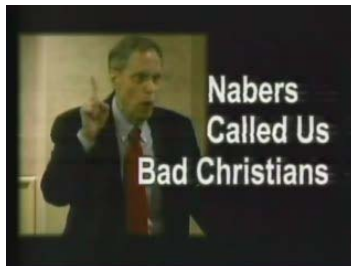

Alabama next? Maybe. Chief Justice Drayton Nabers and a liberal state

court majority say they will back all federal court orders, even one ordering

Alabama to recognize gay marriages. Nabers called us bad

Christians for opposing his one point two billion dollar tax hike and let a

liberal court to free a rapist and murderer off of death row. If this is how

Nabers acts before the election, imagine how he'll act (inaudible) six more years.
