[Announcer]: Liberal judges in 26 states have forced higher taxes on working people

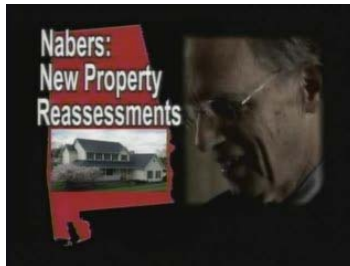

like you. Will Alabama be next? Maybe, Drayton Nabers called

Alabama voters bad Christians for opposing his \$1.2 billion dollar

tax hike. Nabers created new annual property reassessments,

and backed the biggest sales and income tax hike in state history.

Alabama taxes are the lowest in the country, and that's no thanks to Drayton Nabers.

Does anyone think he won't force them higher if he wins a six year term?

[PFB]: Parker for Chief Justice
