[Smith]: "Judges shouldn't make the law, judges interpret, apply, and yes,

uphold the law. I've spent 35 years as an attorney,

helping preserve the American promise of life, liberty, and opportunity

for all. I am running for the Alabama Supreme Court, not to

advance any personal or partisan agenda or settle any

scores. I seek to be a voice of reason on our highest court and I make you

one pledge, my only client will be the people of Alabama." [PFB: Friends of Robert Smith Campaign]
