[Announcer]: Carol Hunstein's attack on Mike Wiggins was called the most brutal

ad ever. Here are the facts: when Mike Wiggins mother lapsed into a coma

he took legal steps to protect her money and her life. Wiggins

won the lawsuit, kept his mother alive, and recovered money she needed to

pay her medical expenses. Mike Wiggins fought to protect his

dying mother. Apparently Carol Hunstein thinks that's

wrong, that's why she's wrong for Georgia Supreme Court.
