[Announcer]: On Georgia's Supreme Court, liberal Carol Hunstein has made a habit of ignoring

laws she doesn't like. Hunstein substituted her preferences on capital punishment for

those who made the law. Carol Hunstein

also voted to throw out evidence that convicted a cocaine trafficker,

her colleagues overruled her. Hunstein even ignored extensive case law and overruled

a jury to free a savage rapist.

If liberal Carol Hunstein wants make laws, she should run for the legislature instead of judge.
