[Johnson]: "I'm Rick Johnson and I want to be your Judge on the Supreme Court. I'll work hard, I'll

follow the law, not make the law. I live a life of traditional West

Kentucky family values and I have a conservative judicial record of thousands

of decisions consistent with those values. I always say the most

important lessons aren't learned in the classroom or in the courtroom, but

in the family room. I'm Rick Johnson and I'm asking for your vote for

Justice of the Supreme Court." [Announcer]: Vote for Rick Johnson for Justice on the Supreme

Court. [PFB]: Judge Johnson for Justice
