[Johnson kids]: "He'd say 'This is Rick Johnson, the most important lessons aren't learned in the classroom or the

court room, but the family room. My dad. he can be a little old fashioned

but I always knew what he meant. And now that I'm at college,

I see he thinks the way our neighbors back home think. And not everybody does.

You judge Rick Johnson's experience. Because he's had so much

of his work recognized, you'll see that he's a great judge. Not just a great dad.

Vote for my dad, Rick Johnson. Hey! He's my dad too."
