[Stumbo]: "In my 11 years on the Supreme Court I have participated in deciding thousands of

cases. My opponent began his campaign with an attack on me

for not using my married name. He is now airing misleading

ads about the decisions of the Supreme Court. A good

judge is like a referee, we make sure that trials are

conducted by the rules. This coal miners daughter is proud of her

record and ask for your support for another term on the Kentucky Supreme Court." [PFB: Modest Donations to Stumbo for Supreme Court] [PFB: Allison, Treasurer]
