[Announcer]: Justice Bill Waller Junior has been a tireless advocate

of court reform. He's worked to reduce the lengthy and costly death

penalty appeals process. He was instrumental in adopting rules for

mediation of lawsuits rather than expensive trials. And he helped

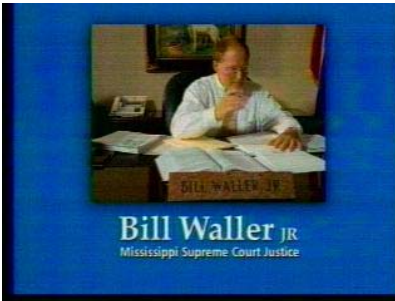

stop judge-shopping in our courts. [Waller]: "While we've made substantial

progress, more needs to be done. We as judges have a responsibility

to restore public confidence to our courts." [Announcer]: Bill Waller Jr., Supreme Court Justice.

[PFB]: Friends to Elect Judge Bill Waller Jr.
