[Jan Rehberg]: "I'm Jan Rehberg, I've been to your community many times over the years asking you

to stand with our family to help protect the values we share as Montanans.

Today, I'm asking you to join me in supporting Judge Nels Swandal.

As a District Judge Nels Swandal has a proven record of protecting our constitutional rights.

He is a commonsense Conservative we can trust

who will not legislate from the bench.

On November 2nd vote Judge Nels Swandal for Montana Supreme Court."
