[Announcer]: A message from former Chief Justices Burley Mitchell, Henry E. Frye, and James Exum.

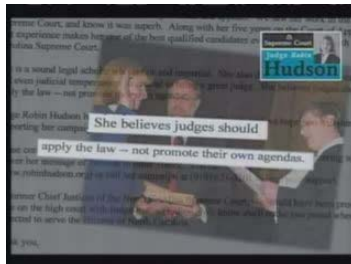

Judge Robin Hudson is one of the best qualified candidates ever to

run for the North Carolina Supreme Court. She is a sound legal scholar who

is fair and impartial. She believes judges should apply the law, not promote their own

agendas. Judge Robin Hudson embodies the qualities that make great Supreme

Court Justices. We whole heartedly endorse her candidacy. [Hudson]: "I'm

Robin Hudson. I work hard on the Supreme Court. I ask for your vote on November 7th."
