[Hudson]: "My race is for a seat on the North Carolina Supreme Court, the highest court in the

state. We need justices who are fair and impartial, with the best possible experience.

It's about protecting our system of justice and our quality of life. We have issues about property

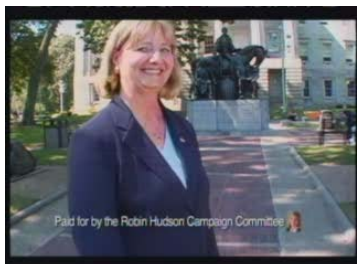

and the environment. About your family, your home, your

jobs, your safety. I know you want a candidate who will be fair and impartial

and who won't bring a personal or political agenda to the bench. And that's what you get

with me. I'll work hard on the Supreme Court. I ask for your vote on November 7th."
