[Chavez]: "Drunk driving and domestic violence have plagued our community

for decades. As a Supreme Court Justice it is important to me that

we finally close all of the loopholes that let these criminals off the hook.

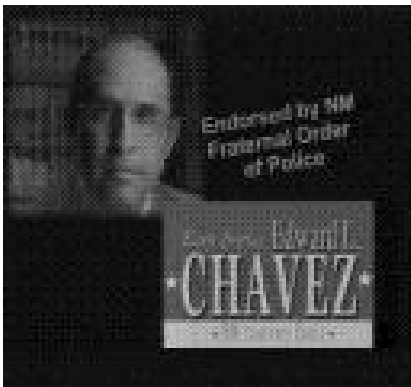

Within 90 days of my appointment I had already closed one loophole.

I've also signed an order that will stop DWI and domestic violence cases from slipping through the

cracks, and we've recently reinstated stiffer sentencing for repeat offenders."

[Announcer]: Keep Edward L. Chavez on the Supreme Court. [PFB]: People for Justice Edward Chavez.
