[Announcer]: Nancy Becker is running an ugly ad based on a student research paper. Know

the truth. The Nevada Supreme Court declared that study wrong.

Know the truth. Judge Saitta was recently voted one of the 500 best judges in

the country. Know the truth. Nevada lawyers ranked

Justice Becker the worst on the Supreme Court, they know Becker, and

voted her the least likely to follow the law and the most likely to favor

her friends. Vote the truth. Vote Saitta for Supreme Court.
