[Announcer]: Our Texas Supreme Court decides each case

on merits, not politics. But personal injury trial lawyers are trying

to buy the court. Justices Jefferson, Wainwright and Johnson uphold

balanced justice. Supreme Court justices Jefferson, Wainwright and Johnson believe

judges should interpret the law. Not make the law. Jefferson, Wainwright and Johnson

fight against frivolous lawsuits, which destroy jobs. Re-elect justices Jefferson,

Wainwright and Johnson because cases should be decided on merits, not politics.
