HE HAD BEEN CONVICTED OF DRUNK DRIVING THREE TIMES.

THEN HE TOOK THE NARCOTIC DRUG METHADONE,

KNOWN TO CAUSE ANXIETY, CONFUSION, AND LOSS OF VISION.

TWENTY MINUTES LATER, HE GOT BEHIND THE WHEEL AND STRUCK

AND KILLED A SIXTY-ONE-YEAR-OLD WOMAN.

BUT JOANNE KLOPPENBURG SIDED WITH A JUDGE WHO EXCLUDED HIS USE OF METHADONE AS EVIDENCE.

THE HOMICIDE CHARGES WERE DROPPED AND THE MAN WENT FREE.

TELL JUDGE KLOPPENBURG: WE NEED TO PROTECT LAW-ABIDING CITIZENS, NOT CRIMINALS. [PFB WISCONSIN ALLIANCE FOR REFORM].
