[Announcer]: Judge Warren McGraw's personal injury lawyer friends get

rich by filing lawsuits and taking up to half of the awarded money.

Then Judge McGraw upholds the awards and those lawyers give McGraw money to

get him elected, again. Sound like a good deal? Not for the rest of us. While

they abuse our courts, we pay the price. Lawsuit abuse threatens jobs and

healthcare and drives your insurance bills higher. Personal injury

lawyers can afford Judge Warren McGraw, West Virginia families can't.
