[Announcer]: Desperate and unable to defend his radical record,

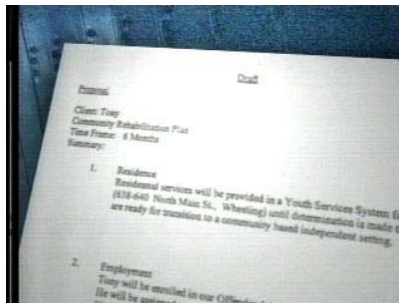

Justice Warren McGraw's supporters are running misleading ads.

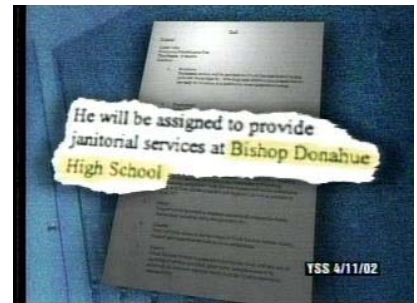

[TV]: "The problem is the facts are dead wrong!"

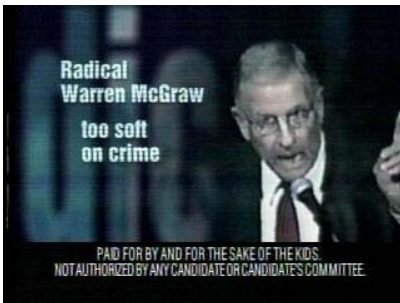

[Announcer]: Really? The News-Register wrote McGraw voted to

let a child rapist out of prison. And court records show the plan called for

the rapist to work at a local school. The truth? Radical Warren McGraw, too

soft on crime, and too dangerous for our kids.

[PFB]: Sake of the Kids.
