IT'S MORE THAN AN EPIDEMIC. IT'S A WAR

WITH TOO MANY WEST VIRGINIANS,

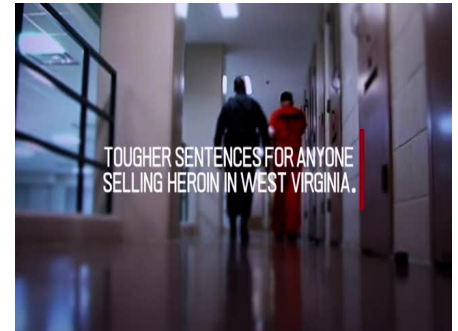

INCLUDING CHILDREN, AS CASUALTIES.

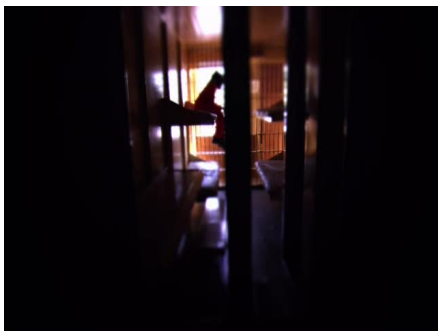

WELL I THINK IT'S TIME WE FIGHT BACK, WITH A TWO-PRONG ATTACK.

FIRST, TOUGHER LAWS

THAT WILL MAKE ANYONE SELLING HEROIN IN WEST VIRGINIA REGRET THEY EVER ENTERED OUR STATE.

AND SECOND,

WE NEED TO GET HELP TO THE ADDICTS. WE CAN'T JUST LEAVE THEM ON THE BATTLEFIELD.

WE CAN WIN THIS WAR ON HEROIN, BUT ONLY WITH JUDGES TOUGH ENOUGH TO DO SOMETHING ABOUT IT.

BETH WALKER FOR SUPREME COURT. [PFB BETH WALKER].
