[Announcer]: Republican judges take their oaths seriously. They are

experienced at upholding the laws of Texas and leaving lawmaking to the

Legislature. That is the primary difference between experienced,

conservative Republican judges and liberals. Republican judges hold the law

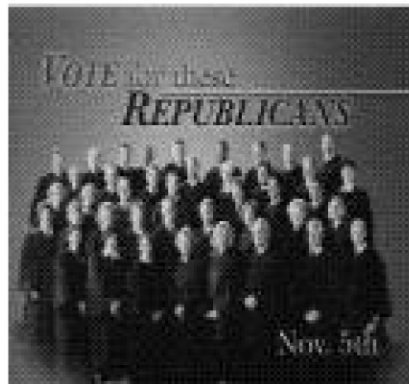

sacred. Liberal judges make new laws from the bench. Don't let that

happen here in Harris County. Elect judges who follow the law.

Vote for these Republicans November 5th.

[PFB: Harris County Republican Party]
