Judicial campaign conduct committee says Will Scott's attacks on Janet Stumbo are false and misleading

The Herald-Leader says they are appalling

The Herald-Leader says Scott insults the intelligence of the people he's asking to vote for him. Eastern Kentuckians should show who they really are by returning Stumbo to the Supreme Court

When Will Scott won't tell the truth, he disrespects the office he seeks and he disrespects us

[PFB] We can do better. Janet Stumbo, Kentucky Supreme Court
