PAID FOR BY LETITIA CHAFIN FOR SUPREME COURT CHUCK SMITH THE WEST VIRGINIAN
 [Announcer]: Tish Chafin: Attorney, wife, mother. As State Bar President, she visited every County Courthouse

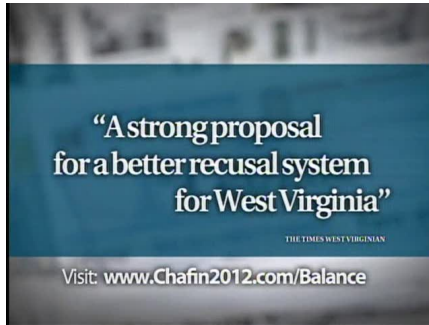

to improve our legal system. Now she's running for Supreme Court, with a real plan to insure

fairness for all by removing judges with conflicts. The Times West Virginian calls Chafin's Balanced Court Initiative

A strong proposal for a better recusal system. Chafin is endorsed

by the Charleston Gazette, AFL-CIO, Mine Workers, Teachers, and Law Enforcement

because she can be trusted to bring fairness and balance to the Supreme Court.
