Black History Month***

Come Receive a 2012 Update

State-by-State Info on New Election Laws

&

Information on Affected Constituency Groups:

**Minorities, Seniors, the Disabled, Students,
Individuals with Past Criminal Convictions**

In the last year, 34 states proposed or passed voter ID bills, while 21 million people lack the identification required by the new proposals.

Approximately 13 states introduced bills to end highly popular Election Day and same-day voter registration, limit voter registration mobilization efforts, and reduce other registration opportunities.

***RSVP to LaDavia Drane at ladavia.drane@mail.house.gov**

Moderated By:

***The Lawyers'
Committee for
Civil Rights
Under Law***
