[John Warner]: "I'm retired Supreme Court Justice John Warner. I support

Judge Nels Swandal for the Montana Supreme Court.

I was a trial judge just like Nels Swandal before I was on the Supreme Court.

A trial judge brings a unique and important perspective to the Supreme Court.

A perspective which is now missing. Nels Swandal has been a respected district Court judge for

fifteen years. With that experience Judge Swandal will add balance

and stability to the Supreme Court. On November 2nd, vote Judge Nels Swandal."
