**DECLARATION OF ANDREW SUPE**

---

I, Andrew Supe, declare as follows:

1. I am the Database Specialist for Service Employees International Union (“SEIU”), Colorado State Council. I maintain the database for SEIU Local 105 and assist the staff in charge of the state employee database when needed.
2. I have personal knowledge of the matters set forth herein and, if called upon to do so, could and would competently testify thereto in a court of law.
3. On October 5, 2010 I obtained a list of persons identified by the Colorado Attorney General’s office as “persons who failed the 20 day statute since November 2008.”

4. I checked this list against a list of SEIU Local 105 members who live in the State of Colorado.

5. On the list of persons identified by the Colorado Attorney General's office as having "failed the 20 day statute since November 2008," I identified the ID number of "Lewis, Antonio L." Antonio L. Lewis is a current member of Local 105. The home address for Mr. Lewis on the SEIU database is very similar to the address provided on the list from the Attorney General's office, except that on the SEIU database the 5th digit of Mr. Lewis's street address is the number "6" and on the Secretary of state list the 5th digit is the number "8," and the Secretary's list had an "E" before the street name.

I declare, under the penalty of perjury, under the laws of the United States, that the foregoing is true and correct.
