[Announcer]: Experience? Take a closer look.
 As Attorney General Graddick's operatives

abused their office. State equipment was used to
 illegally bug a rival's campaign office.

Graddick's associates were prosecuted and said,

Graddick knew of the plot. They even stole his
 opponent's tax returns.

On Charlie Graddick's watch there was an abuse
 of power

the public trust was violated - wiretaps, felonies,
 stolen tax returns.

Alabama's had enough of Charlie Graddick's kind
 of experience.
